

Kingdom of Mali

The Kingdom of Mali was a powerful West African empire that flourished from the 13th to the 16th centuries. Its wealth was derived from gold and trade, and it was known for its impressive cities and vibrant culture.

Mansa Musa

Mansa Musa was the most famous ruler of the Mali empire. His pilgrimage to Mecca in 1324, during which he generously distributed gold, made him a legend throughout the world.

Gold Trade

The Kingdom of Mali was incredibly wealthy due to its vast gold resources. Trade routes connected Mali to North Africa and the Mediterranean, bringing prosperity to the empire.

Timbuktu

Timbuktu was a prominent center of learning and culture in the Mali empire. It was home to numerous mosques, libraries, and universities, attracting scholars from across Africa.

Mali's Legacy

The Kingdom of Mali was a significant force in African history, leaving a lasting legacy of cultural achievements, trade networks, and architectural marvels.
